

***** COVID-19 NOTICE: We are OPEN for
Business *****

During the COVID-19 pandemic, the state of Minnesota has deemed the real estate industry an essential business and operational. Since the beginning, we have been following strict guidelines to ensure the health and wellbeing of home buyers and home sellers alike. We provide hand sanitizer, gloves, and face masks at all events and visits. If you have questions or concerns, please do not hesitate to reach out to us directly and we'd be happy to share what actions we are enforcing to ensure real estate transactions continue to operate in a healthy and safe environment.

Even before the pandemic, but especially now, we are using top of the line technology to showcase your home. If you are interested in us shooting your home or providing an estimate for your property, please give us a call: 612-548-1421 or send us a message on our contact page.
